

Welcome to Reception

Please see Autumn 1 link below to see what we will be learning this term

https://www.huntscrossprimaryschool.com/wp-content/uploads/2023/04/Autumn1_file_updated-1.pdf

All about Me and Autumn will be our main theme this term with children's interests to run alongside these.

Our PE day will still be every Thursday please remember to wear your PE kit on this day.

A polite reminder that our homework is uploaded weekly on Class Dojo under the Activities section, the children really enjoy sharing their learning with their peers each week, this is alongside the phonics sounds that they have been taught in the week to reinforce and practise.

Reading folders are to be returned by Wednesday, reading for pleasure books (storybooks) will be changed weekly, with phonics (children's reading books, when they are ready) being changed two-weekly in order for children to develop confidence and fluency with their reading. Please make sure that you record your child's reading in their reading log we aim for this to be at least 3 times per week, this does not have to be the whole book in one sitting, it may be a few pages per time.

Please remember to log into Oxford Owl also to use the interactive books with your child to reinforce sounds learnt and develop their early reading.

If your child does not have a pair of wellies in school, can you please ensure that these are brought into school.

Water bottles to be brought in each day and taken home, please note these should be filled with water only not juice.

Please ensure that any new items of clothing, including hats, scarfs and gloves are clearly labelled with children's names.

We look forward to the coming term of learning and fun.
